program has arrived.

FlexPerks
CORPORATE REWARDS

Save company money or reward valuable employees - you choose. The optional FlexPerks[®] Corporate Rewards program, offered exclusively by U.S. Bank, turns any of our corporate travel cards into a customizable rewards card.

Whether rewards are an expected perk for employees, a way to increase adherence with company policies or simply a smart financial move for your organization, FlexPerks Corporate Rewards allows you to customize your card rewards to fit your program and financial goals.

Make business more rewarding without sacrificing control or efficiency

Whether you need to incent valuable employees or save your company money, FlexPerks Corporate Rewards can be tailored for a wide range of organization types, sizes and needs.

Here's a quick summary:

- Your corporate cardholders earn 1 FlexPoint per \$1 spent on virtually all purchases. FlexPoints have the same value and redemption options as the consumer product.
- Cardholders can use their FlexPoints to travel on more than 150 airlines with no blackout dates or redemption fees, stay at thousands of hotels and rent with most major car-rental companies.
- FlexPoints can be used for merchandise rewards, including electronics, clothing, sports equipment and more, plus gift cards from major retailers.
- FlexPoints can also be used for a statement credit* towards your company's managing account
- Cardholders can easily and instantly transfer FlexPoints from a corporate account to a FlexPerks consumer or corporate account for faster earning and redemption.
- Cardholders can use any combination of FlexPoints and cash to redeem for flights, car rentals and more providing even more flexibility.
- You can allow employees to earn and redeem FlexPoints individually as a reward, or pool all FlexPoint earnings for the organization to use.
- You can choose rewards, rebates or a combination of both to fit your organization's needs and financial goals.

*Eligible accounts only

Superior value in the market for your cardholders

FlexPerks Corporate Rewards gives your employees the ability to earn and redeem FlexPoints individually, transfer corporate FlexPoints to consumer accounts and choose from a wide range of redemption options. Enrollment is easy and participating cardholders pay \$80 a year for a FlexPerks Corporate Rewards membership, which includes convenient online access to view, manage and redeem FlexPoints. The annual fee can be paid by the employee or your company.

Fast earning. More value. Easy redemption.

Employees can redeem for awards starting at just 5,000 FlexPoints. With flexible travel rewards plus options including merchandise, gift cards, and more, FlexPoints go farther.SM
